Barrington Library Foundation
Attn: Marie Harris, Chair, Leadership Campaign Committee
P.O. Box 44
Barrington, NH 03825

Dear Marie and Barrington Library Foundation,

The Barrington Storm Soccer Club enthusiastically supports the proposal for a new, centrally located library on Ramsdell Lane.

We see this new building to increase community access to information and knowledge, while also providing a cultural gathering place for our diverse community. Among the many benefits that the new library would offer are a central place to offer services and resources such as a meeting location for the BSSC Board of Director meetings, equal access to everyone, and floor space that is easy to navigate. Barrington NH is a small community that cares about books, sharing of knowledge, literacy, and access to resources that would not otherwise be available.

A new library with more space will allow new books to be added, increase room for staff to effectively manage the growing number of resources, new wiring for technology (think wi-fi), dedicated space for servers and other essential hardware.

After 45 years in the same location, it is time to expand the library to accommodate the increase in the number of families that call Barrington their home.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Cook", written in a cursive style.

Jeff Cook, Communications Director
On behalf of Barrington Storm Soccer Club Board of Directors
