Good Afternoon, Ms. Harris;

Pat Gingrich was recently telling me about the plans to expand the Barrington Library and I wanted to let you know that an expansion would be greatly received by the community. As the Volunteer Support Coordinator for the Girl Scouts in our area (Community 216 -Barrington, Durham, Lee, Madbury, Nottingham and Strafford) I cannot tell you how excited we are to hear this news.

One of the challenges we face as Girl Scouts is finding places to meet; be it for troop meetings, recruitment events or even volunteer monthly meetings. The idea that there would be space at the library would be wonderful. This would definitely aid us in bringing Girl Scouting back to Barrington. At one time we had eleven troops meeting in town but we are now at our lowest numbers in recent history with only one troop meeting in town and meeting space is definitely a factor in that drop in numbers.

I am sure I speak for all of the leaders and girls in our community when I say that you have our full support and if we can do anything to help, please let us know.

Best Regards,
